Atomicon is the owner of Heroes of Antares and the copyright holder of this Service, and to other services relating to the game Heroes of Antares. Atomicon shall organise and (or) process personal data and also determine the purposes of processing personal data, the composition of personal data to be processed, and actions (operations) performed with personal data.

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms of Use.

I. INFORMATION COLLECTION AND USE

We collect several different types of information for various purposes to provide and improve our Service to you. If you do not use (log in to) the service for two years all your personal data will be deleted.

Personal Data

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally identifiable information may include, but is not limited to:

- Email address
- Crypto wallet public key
- Cookies Data
- Usage Data

Usage Data

Usage Data - information that your browser sends whenever you visit our Service or when you access the Service by or through a mobile device.

This Usage Data may include information such as your computer's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When you access the Service by or through a mobile device, this Usage Data may include information such as the type of mobile device you use, your mobile device unique ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browser you use, unique device identifiers and other diagnostic data.

Tracking Cookies Data

We use cookies and similar tracking technologies to track the activity on our Service and hold certain information.

Cookies are files with a small amount of data which may include an anonymous unique identifier. These are small text files that a server places on your device.

You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some parts of our Service.

Examples of Cookies we use: Session Cookies - to operate our Service. Preference Cookies. Preference Cookies - to remember your preferences and various settings. Security Cookies - for security purposes.

II. USE OF DATA

Atomicon uses the collected data for the following purposes:

- to provide and maintain the Service;
- to notify you about changes to our Service to allow you to participate in interactive features of our Service when you choose to do so;
- to provide customer care and support;
- to provide analysis or valuable information so that we can improve the Service;
- to monitor the usage of the Service;
- to detect, prevent and address technical issues.

III. TRANSFER OF DATA

Your information, including Personal Data, may be transferred to — and maintained on — computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction.

Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

Atomicon will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information

VI. SERVICE PROVIDERS

Service Providers - third party companies and individuals, to provide the Service on our behalf, to perform Service-related services or to assist us in monitoring and analyzing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

VII. LINKS TO OTHER SITES

Our Service may contain links to other sites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

VIII. CHILDREN'S PRIVACY

Our Service does not address anyone under the age of 18 ("Children").

We do not knowingly collect personally identifiable information from anyone under the age of 18. If you are a parent or guardian and you are aware that your Children has provided us with Personal Data, please contact us. If we become aware that we have collected Personal Data from children without verification of parental consent, we take steps to remove that information from our servers.

IX. CHANGES TO THIS PRIVACY POLICY

We may update our Privacy Policy from time to time, by posting the new Privacy Policy on this page without any notifying.

Changes to this Privacy Policy are effective when they are posted on this page. From the same moment, the previous version of the Privacy Policy shall be considered invalid.

X. CONTACT US
